

## **SASKATCHEWAN SAVINGS BONDS – GENERAL INFORMATION**

### **Redemption of a Matured Series 1 - 15 Bond**

At maturity, the stub (i.e., the bottom portion) of the Bond is detached by the financial institution at the perforation and gets processed in the banking system like a cheque. Normal cheque clearing procedures apply.

### **Redemption of a Matured Series 16 - 18 Bond**

The bond certificate has no value. At maturity, the Ministry of Finance paid the investor the value of their bond(s) by cheque or direct deposit in accordance with the instructions that the investor previously provided to the Ministry of Finance. Bondholders who have not received payment for Series 16 - 18 bonds should contact the Registrar's office directly.

### **Ownership Transfers**
